Two chicks.
One table.

The unfussy kit. A mark, a palette, three typefaces, and a voice that does not say leverage. Use it. Don’t fussy it.

00 · THE MARK · THE PAIR

Two at the table. That’s us.

Two chicks, sitting down, getting on with it. The table is sea. Everything else is ink. If it needs a drop shadow, you’ve already lost.

01 · HOW TO SIT IT

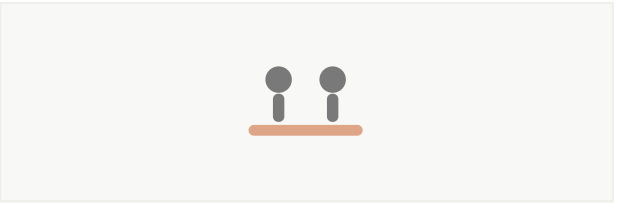

Do. Clear space: one table-width on every side.

Don’t stretch. Scale, don’t distort.

Don’t rotate. The table stays level.

Don’t recolour the table. The table is sea. Always.

WHAT WE DO · ANY TIMEZONE · 00

Labels, tabs, the ticket tape.

04 · VOICE · HOW WE TALK

Sound like a person. A fun one.

WE SAY	WE DON'T
Unfuss it.	Leverage AI.
Kitchen table.	Centre of excellence.
The chicks.	The team / the founders.
Gone by Friday.	Deliverables this sprint.
Your recipes, not ours.	Best-practice playbooks.
Come on. Unfuss it.	Unlock your potential.

05 · PICTURES

Documentary, 4:3, a bit of grain. Then a teal wash at 22%. Real rooms. Not a stock handshake.

Anyone can use this. Just don’t fussy it.

Questions about the mark, a lockup for a slide, a colour that isn’t in the set — ask the chicks before you invent a new one. hello@unfussy.ai
